

Add some festive cheer to your year-end function at the Townhouse Hotel

(Cape Town, 14 October 2011) The Townhouse Hotel & Conference Centre is celebrating the upcoming festive season with a variety of options for the perfect way to treat staff at the end of a busy year.

Whether it's a corporate function or simply a few people coming together to celebrate the start of the holiday season, the Townhouse Hotel & Conference Centre have an option to suit any budget.

"Year-end functions are often highly anticipated by staff, particularly after a long hard year and what better way to thank them for their dedication than with a delicious meal and quick service in a convenient central city location." says General Manager, Jacqui Williams. "We make it even more appealing by offering free on-site parking for all our guests."

An intimate option for small and informal groups can be arranged with canapés served in the spacious lounge. Three different varieties of snack platters are available, ranging from R200.00 to R300.00 for six people. Delicious snacks include teriyaki chicken skewers, crudités with herb yoghurt and paprika dusted chicken wings.

For larger groups, a light lunch buffet or a dinner is available at Trees restaurant which overlooks a leafy avenue adjacent to the famed Dutch East India Company Gardens. The restaurant is located on the hotel's first floor, and with its large glass windows, the experience emulates that of being in a tree house. The 100-seater restaurant has a contemporary look and feel with some striking red accent pieces, a few ladder-back chairs, origami-inspired lampshades and an eye-catching installation at the restaurant's entrance.

The buffet at Trees kicks off with a non-alcoholic drink on arrival and a festive hat and cracker for each guest and includes firm favourites such as pasta, chicken and seafood dishes - sufficient choice to appeal to everyone's taste.

For dinner, Trees guests will be treated to a three course à la carte menu with a choice between starters, mains and dessert. Dinner guests will also enjoy a non-alcoholic cocktail on arrival and the festive atmosphere is further enhanced by lit trees outside, festive hats and crackers.

For groups of 30 or more, guests can enjoy the exclusivity and privacy of Townhouse Hotel's state-of-the-art Conference Centre. The lunch buffet is R105 per person and the dinner is R175 per person.
