Hearty winter special in East City

Trees restaurant, located in Cape Town's East City Precinct at the Townhouse Hotel & Conference Centre, has just released two hearty specials for winter.

Hearty and Wine consists of a choice between 2 casseroles, served with a vegetable and starch of the day, with a glass of red or white house wine.

With **Grill and Wine** guests can choose between a 250g rump or sirloin (R25 extra to upgrade to 350g) which is served with a sauce, one side dish (starch or vegetable) and a glass of red or white wine.

Both specials cost R105 per person.

Executive chef Stefan Schmidt explains the thinking behind these two winter specials: "There are a number of sauce, starch and vegetable options available, so essentially, if guests play around with their selections, they can return to Trees throughout winter and have a new flavour experience every time."

Trees overlooks a leafy avenue adjacent to the famed Dutch East India Company Gardens. The restaurant is located on the hotel's first floor, and with its large glass windows, the experience emulates that of being in a tree house. The 100-seater restaurant has a contemporary look and feel with some striking red accent pieces, a few ladder-back chairs, origami-inspired lampshades and an eye-catching installation at the restaurant's entrance.

Reservations are essential and can be made by e-mailing trees@townhouse.co.za or call 021 465 7050.
