reception and lounge

A photograph of a modern hotel room. On the left, a bed is made with white linens and a black throw blanket, with two pillows (one black, one tan). Behind the bed is a wooden headboard with a built-in shelf holding books and a small bowl. A potted plant stands next to the bed. In the center, a wooden desk holds a flat-screen TV, a mouse, and a keyboard. A black office chair is tucked under the desk. To the left of the desk is a high-backed chair with a black and white floral pattern and a black seat. In the foreground, the back of a tan armchair is visible. A white bathtub with a metal caddy is partially seen in the bottom left corner. The room has light-colored walls and a light-colored floor. A white rectangular box with the text 'our rooms' is overlaid on the upper right portion of the image.

our commitment

We implement the following programs to reduce our environmental impact:

- Conserve our natural resources by reducing our water consumption
- Reduce our energy requirements
- Minimize, recycle and manage waste production
- Use environmentally friendly products
- Support community programs
- Use locally produced South African products
