# slicker city conferencing

Set in the commercial hub of Cape Town, adjacent to the Parliamentary precincts, the Townhouse Conference Centre is as central and convenient as a business and functions venue can be.

Spread across two spacious levels, this beautifully designed centre has modular venues that can be customised for functions large or small - from conferences, product launches and theatre-style presentations hosting up to 250 people in a 264m<sup>2</sup> venue, to smaller meetings or 'breakaway' sessions. All venues can be equipped with a full range of the latest audio-visual and presentation aids.

The Hotels' experienced banqueting team can customise menus for all catering needs - from working breakfasts, light finger lunches and cocktails to formal sit-down dining.

Additional facilities, such as secure on-site parking, make this a preferred city venue for local guests, while overnight visitors are a mere elevator ride from their rooms and the 24-hour service of our hotel.
